

# CATAMOUNT-BRANDED BLACK CHERRY STOOLS – ORDER FORM

Mail to Catamount Lodge & Forest LLC, 2092 State Highway 56, South Colton, NY 13687

The black cherry hardwood stools, produced from wood grown in the Catamount Forest, are made locally by Amish furniture makers in Heuvelton, New York. The clear finish brings out the natural beauty and character of the wood; and the stools will naturally darken over time. Stools also can be ordered with color accented legs (e.g., black) for an additional \$5 per stool.
